

SOCIETY OF MINING PROFESSORS

THE 10TH REGIONAL MEETING

HANOI UNIVERSITY OF MINING AND GEOLOGY, HANOI, VIET NAM

14TH - 16TH OCTOBER 2020

Background

Hanoi University of Mining and Geology (HUMG) will host the 10th Society of Mining Professors (SOMP) Regional Meeting with the theme “Mining Education in the Future”.

The Society of Mining Professors/Societät der Bergbaukunde is a vibrant Society representing the global academic community and committed to make a significant contribution to the future of the minerals disciplines. Nowadays SOMP is an organization of almost 300 members, representing 131 mining schools in 44 countries. The main goal of the Society is to guarantee the scientific, technical, academic and professional knowledge required to ensure a sustainable supply of minerals for mankind. The Society facilitates information exchange, research and teaching partnerships and other collaborative activities among its members.

The 10th Regional meeting of SOMP is organized in Hanoi University of Mining and Geology, aiming to complete the mission of SOMP through:

- Actively developing and supporting the mining engineering discipline;
- Development of long-term professional relationships;
- Exchanging innovative experience in teaching and learning practice;
- Sharing research experiences, capabilities and future challenges;
- Fostering professional career development and social awareness;
- Providing timely, authoritative and independent comments on relevant global issues

We expect stakeholders to send us presentations in topics of (1) Advances in Mining and Georesources Education; (2) Sustainable Mining Education; and (3) Capacity Building, via nguyenthihoinga@humg.edu.vn

Program

Day 0: Tuesday, 13th October 2020: Capacity Building Committee meeting (evening)

Day 1: Wednesday, 14th October 2020: Meeting at Hanoi University of Mining and Geology (Pho Yen Meeting Hall, HUMG)

Day 2: Thursday, 15th October 2020: Parallel International Conferences (Venue: Hanoi University of Public Health)

- Sustainable and Responsible in Mining (ISRM2020)
- Economic Management in Mineral Activities (EMMA-5)

Day 3: Friday, 16th October 2020: The celebration of 55th Jubilee of Surface Mining Department - HUMG

Departure to Sin Quyen Copper Complex.

Committee

Chair:

Prof. Dr. Bui Xuan Nam buixuannam@humg.edu.vn

Head of SOMP Regional Meeting:

A/Prof. Dr. Nguyen Thi Hoai Nga nguyenthihoinga@humg.edu.vn

International Committee:

Prof. Jürgen Kretschmann, THGA Bochum, Germany
Prof. Vladislav Kecojevic, West Virginia University, USA
Prof. Oscar Jaime Restrepo Baena, Universidad Nacional de Colombia, Colombia
Prof. Zhongxue Li, Uni. of Science and Technology Beijing, China
Prof. Domingo Javier Carvajal Gomez, Uni. of Huelva, Spain
Prof. Pirat Jaroopattanapong, Chiang Mai University, Thailand
Dr. Kridtaya Sakamornsnguan, Department of Primary Industries and Mines, Thailand
Prof. Dr. Rudy Sayoga Gautama, Institut Teknologi Bandung, Indonesia
